Dear Sir

Respecting my coming
to arrange matters with you.

I cannot say more than I said

last week The mortgage money

I shall love 200, & I put

2 new yard gates, 5 park

windows in the house in the

room of lead lights, new stair-

case & doors & made it into

two dwellings, & a large

brelock lodge in yard

costing me about 100[£], making

300[£] cost, I did not think of

leaving it, or I should not have named
the ground as I did.

Yours faithfully

L Cook
