

Office of the
Official Receiver in Bankruptcy,

Canterbury May 31 1891

Dear Sir

G. R. Hawkes

I am now about to close the estate. I shall be glad to be informed what steps (if any) you have taken as to the realization of the Reversion. As I understand the arrangement awarded as between you & myself was that you were to possess all claims

for rent & like or obtaining possession of the holding, & my giving up any claim the estate might have for investments & improvements.

I have only a balance of £4. 13. 3 retained with which I propose to pay the outstanding rates & expenses you have not paid these rates.

Yours truly

Worshipful Mowell
O.R.

Messrs Emmersons & Co.
