Dear Sir

We have been instructed to give you notice of a second Mortgage given by Mr George R. Dowker (whose affairs are now in liquidation) to his Mother for securing £50 and interest and we shall feel obliged if you will acknowledge receipt of this notice on behalf of both the first Mortgagee and the Trustees under the will of the late James Dowker. We do not know what you propose to do with reference to this Reversion but Mr Dowker would, of course like to be consulted before the same is dealt with.

Yours faithfully
Mowll & Mowll
