Dear Sirs,

Hinds & Son vs City Assets Co & L^d

The Plaintiffs are applying for
Summary Judgment under Order XIV and
the Summons therefor is returnable
on Thursday the 3rd Dec^r proco at 11 o'clock

We enclose you copy Affidavit in support
and also copy of the Indenture of Assignment
exhibited thereto. You will see that the
latter purports only to assign £153..15..5 yet
the Plaintiffs sued for £161..2..10. You had
better send us an Affidavit by one of the
Defendants shortly stating the facts and
setting out the terms of settlement of

25th Nov^r 1890 and that the Defendants ~~either~~
~~jointly or severally~~ claim to set off against
the whole of the accounts assigned to the
Plaintiffs and sued for by them in this
action the various matters mentioned in
the terms of settlement and show that
the balance is due to the Defendants
and not to the Plaintiffs. It will be
as well also to state the fact that full
information has been given by correspondence
and an interview before action to the
Plaintiffs through their Solicitors and
the Plaintiffs are fully aware of the
Defence and ~~should~~ ^{represent applications} not have made
this application.

Yours very truly
Percival Adams
