Dear Sirs,

Funds at City Street Co. Ltd.

We have your letter of yesterday's date with enclosures. It would have been as well if you had included the books &c in Trollope's subpoena notwithstanding we have served Mr. Ward the Trustee. It may well be that Mr. Trollope has some books other than those which the Trustee has.

We enclose you copy of further notice to produce served today by Plaintiffs Solicitors.

We do not think there is any need to subpoena Mr. Trollope's Solicitor & Mr. Hardman but we will take an

opportunity of speaking to Mr. Fook about it  
when he returns to Town next week.

Yours very truly,

David Church Adams
