Messrs E. & J. Mansfield  
Sandwich

Dear Sirs,

Overseas A. City Bank Co

We have herewith the  
Rent Account as provided  
made up to the end of last  
year -

We have been thro' our Book  
for the past few years and have  
sent you the list of cheques that  
have been paid to Rollop. together  
with the old cheques - you will

170  
by those due what a very small sum  
has been actually paid by us  
to him, whereas the amount due

for interest during that period,  
has been paid wholly by his  
Account due from us for our  
various clients, which shows  
pretty conclusively that Rollop  
as always treated J. Mansfield  
individually, as the party for  
whom he could set off for  
the work done, in reduction  
of the interest -

Pray come you know heard  
nothing further

Yours faithfully  
J. Mansfield
