Dear Sirs

Hinds at City assets Co

We observe that a notice has been issued today that Mr Justice A Smith will take actions without juries on Tuesday next and following days.

This case stands 9th in the list so there is a possibility of its being in Tuesday's paper.

I heard on that day we shall be all right for counsel but Mr Footo is leaving town for Exeter that afternoon. We will wire you as early as possible on Monday afternoon.

Yours faithfully

John Archibald Adams
