Dear Sirs,
re Terry.

We think the Easby property
should be included in our
Client's Mortgage - as the
Bank might elect to realize
the Sandwell property before
this - for his protection
therefore our security must
comprise the Easby property -
If an abstract of it
is with the deeds we

110 23.
should be glad to have a
copy of it - but we do
not want to go the
expense of drawing an
abstract of it -

Yours truly
Dubois & Reid.
