Dear Sir,  
I have not yet received

your letter of the 5th

in which you mention  
the business of the

at least has been completed  
with my being engaged

in the same. I think I shall  
try to get it done

as soon as possible  
for Mr. Chamberlain

a year) for one year  
from June last: Do you  
wish me to pay the  
next quarter's rent  
to him or your Client

If you wish me to give  
up immediate possession  
of the Brickfield I shall  
be pleased to assist you  
in any way I can if  
you will allow the bricks  
now on the field to remain  
till the end of my term  
at a nominal rent,  
I make this condition

away by 24<sup>th</sup> June next

Awaiting your reply
