Dear Sirs,

re Trollope.
Hinds & Trollope.

We understand Messrs Emmerson & Co. have sent you the draft Order for perusal and approval. As we were negotiating with them for a settlement of the whole matter we thought it better to send it to them direct in the first instance.

You may be aware that it has been arranged that our Client shall assign all his interest in the various properties to the Mortgage and there will therefore be no necessity for you to appear on the hearing of the Motion fixed for the 24th Dec^r inst.

We are writing Messrs Emmerson & Co. tonight to send us draft Assignment for perusal and in any event our Client will not disclaim the property nor lodge a Motion for leave so to do.

Yours faithfully,
Ward & Wells & M^{rs} Kay.

Messrs Prior Church & Adams.
