Dear Sir,

Re Trollope
Trollope & Hinds.

We have seen our client upon
your letter of 11th. He will do his
best to induce the bankrupt to
give up possession but he never
agreed to take legal proceedings
to compel him to do so. nor did
he ever contemplate such a step

Perhaps you will let us know
what course you suggest he should
adopt in the matter.

a meeting of the Committee

will be held next week

Yours truly
