Dear Sir/

re. Krollope

Our Client is willing to sell his interest in
the freehold properties in mortgage to your Client
for £50.

With regard to the possession of the house
in Liverpool Road, our Client does not consider
it give you Client possession
he is under any obligation but both he and the
Committee are very anxious to render you what
assistance they can. We propose to make a
formal demand for possession and in the event
of same not being complied with we will
communicate with you with a view to some
joint action in the matter.

Yours faithfully
