Dear Sir

re Kollope  
Grove House

We have received a letter from Kollope in which he coolly writes "I shall not be able to get out of my house by the 29<sup>th</sup> instant" but will do so as soon as I find another one "suitable". Having regard to the attitude the man takes up we are quite prepared to advise the Trustees to take action with you in the matter, that is to say, to take proceedings to recover possession at the joint expense of the

Mortgagee and the Estate -

Yours faithfully

Dear Sir/

re Frollope

Replying to your letter of the 4<sup>th</sup> instant  
we find the debtor was adjudicated Bankrupt  
on the 26<sup>th</sup> October 1891. The Trustee was  
appointed on the 22<sup>nd</sup> October <sup>the</sup> Certificate of the  
Board of Trade being issued on the 29<sup>th</sup> October.  
We should have sent ~~him~~ the information earlier  
but the file was missing at the Court and has  
only just been found -
