Mr S Knicker

Dear Sir

Respecting letter from  
Messrs Emmerson re leaving Grove  
House. I told your son that I  
should like to leave the house  
providing I could get a smaller  
house suitable for my business  
and family. and also asked him  
if he would kindly look out for  
one for me - I have tried but  
have not yet succeeded - and  
untill I can get a suitable

house. I should like to remain  
here. if you will name a small  
rent for a short period

Yours truly
